

BMUN Jetsetters

Join us for fun-filled Saturday Night Delegate Activities!

The 56th session of Berkeley MUN is happy to announce that this year's theme for the Saturday Night Delegate Activities will be "**All Around the World**," where decorations and costumes will represent traditional and modern cultures from around the world. It seems only fitting that a conference about international communities interacting and cooperating should have an event that celebrates international cultures. Delegates are highly encouraged to dress up in costumes and participate in the night's activities. Any traditional cultural wear is appropriate and some possible things to dress up in include kilts, saris, and kimonos – although creativity is definitely encouraged!

This year's activities will include the delegate dance, entitled "**BMUN Jetsetters**," and a casino. Upon entrance to the dance, delegates will be given BMUN casino money, which they can use to play blackjack and roulette, and eventually trade their money for raffle tickets and prizes. There will be a free photo booth and a refreshment stand where water and snacks will be sold. Of course, there will also be a dance floor and a DJ.

The activities will take place on **Saturday, March 15th**. The doors to Pauley Ballroom will open at **8:00 p.m.** and all activities will end at **11:00 p.m.**

Advisers are required to check-in each delegate and accompany them upon leaving the event. **No delegate will be allowed to enter or leave the premises without their advisor and are required to bring their credentials with them and wear them at all times during the evening.** We strongly encourage each delegate to participate in the dance theme by dressing up in their costumes, but please keep in mind that dress codes will be strictly enforced. **Please consult the "Saturday Night Activities Security Guidelines" handout for further information.**

Come prepared for an evening of fun and meeting new people!

Sincerely,

Samantha Liang
